LEXICON 00006839		Soussi ribab			Single-string fiddle of the Berbers of southern Morocco, with a
-					round soundbox covered with skin; the peg is inserted
					laterally and the string runs in an angle over the soundboard
LEXICON_00006838		Speles			Single-string fiddle from Latvia, with a bladder resonator; it is
EEXICON_00000030		Speics			played vertically
LEXICON_00006678		Spike fiddle			played vertically
LEXICON_0000784		Suka			Small polish fiddle. Suka is known thanks to an item from the
LEXICON_00007084		Зика			
					Bilgoraj area, Poland, shown at the First Polish Music
					Exhibition in Warsaw in 1888 (written accound by Jan
					Karlowicz, sketch by Tadeusz Dowgird, 1888, watercolour
					painting by Wojciech Gerson, 1896); in the second half of the
					19th c., and possibly at the beginning of the 20th c. it was
					used in the south of the Lublin region (Bilgoraj area), probably
					accompanied by a single-skin drum; now used by artists of the
					folk revival; suka is played in the vertical position (hung over
					the shoulder on a string or leaned on the knee); players
					applied side string shortening (so-called fingernail technique)
LEXICON_00006837		Taratibu			Single-string tube fiddle of the Hima in Rwanda and
					northeastern DR Congo
LEXICON_00005388		Tarawangsa			Fiddle used by the Sundanese and Badui people in West Java,
					with a trapezoidal resonator. Often has a carved-out pegbox
LEXICON_00006836		Tarhu			Newly developed spike fiddle, created by Peter Biffin; there
					are several types; the instrument resembles a kamanche
-					
LEXICON_00004891		Ta'us			Urdu name for the long-necked fretted peacock fiddle in India
					and Pakistan; in northern India it is known as mayuri
LEXICON_00006835		Tautirut			Three-stringed box fiddle of the Inuit people
LEXICON_00003220		Träskofiol	Swedish		
LEXICON_00005389		Tro u			-
LEXICON_00003221		Umkiki			Single-string spike fiddle of the Baggara people of Sudan
LEXICON 00006834		Wandidi			Spike tube fiddle of the Kikuyu people in Kenya
 LEXICON_00003222		Yehu		Jehu	Two-string fiddle of the Han Chinese; resonator is coconut,
_					covered with wooden soundboard; bridge is usually a sea-
					shell; resembles banhu but pegs are dorsally inserted
					oneign each also sainte sat pega are acrossing most tea
LEXICON 00006833		Zeze			General term for fiddle in Central and Eastern Africa
LEXICON_00003223		Zhonghu			Two-string Chinese fiddle; a 'middle' erhu with an alto range

LEXICON_00008383	Pierdziel			A seasonal, polish folk instrument, made in the spring; would
				become porous and unplayable when it dried out; formerly a
				signal instrument (used by shepherds), often played by
				children, nowadays sometimes made as a music toy; body
				made from a spirally rolled piece of willow bark, fastened with
				a thorn ("przetyczka"); it should have a double reed ("bekas"),
				also made of willow bark, in the inlet
